MISSION & VISION

Our mission is to educate students on the importance of Georgia's natural resources. The workshop offers an exciting summer experience for rising 10th, 11th, and 12th grade students.

Students experience classroom instruction from a diverse group of natural resource professionals, field trips to nearby outdoor areas for experiential learning, as well as natural resource-based recreational activities.

NATURAL RESOURCES CONSERVATION WORKSHOP

HISTORY

For over 60 years, the workshop has focused on the value, protection, and conservation of Georgia's wildlife, forestry, soil, and water resources, including conservation in Georgia's mining industry.

SPONSORS

A VERY SPECIAL THANK YOU TO ALL OUR GREAT SPONSORS AND PARTNERS!

JOIN IN THE LEARNING AND FUN

- Conservation Districts can sponsor students to attend for free
- For upcoming 10th, 11th, and 12th Grade
- Team Trivia Battle
- College and Career options
- Dorm and Campus life experiences
- Talent show
- AND MUCH MORE!

SCHOLARSHIPS

A limited number of scholarships are awarded based on exam scores and specific scholarship guidelines and criteria. Students scoring well on the workshop exam may be awarded a college scholarship.
